MAXGREEN[®]
SINCE 1964

Mission

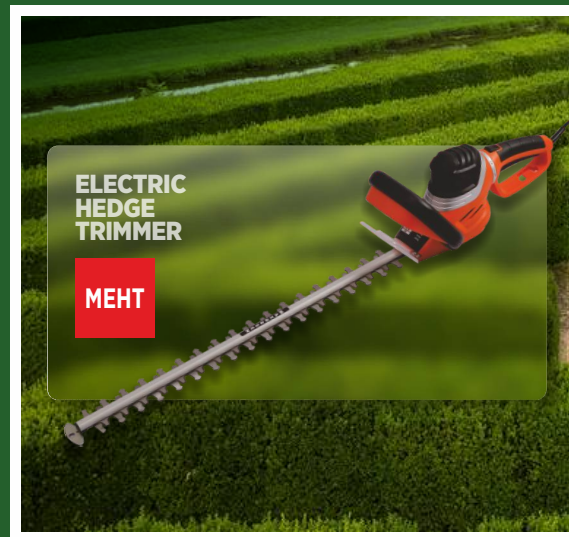

Making gardening and lawn mowing effortless and accessible for a large majority of people

Vision

Playing a pivotal role in creating spaces with more greens and being closer to nature

With 50+ products in the
maxgreen line up, for your every need,

Ace Every Garden with Ease

Home Gardens, Landscapes to Athletic Fields.

MAXGREEN®
SINCE 1964

What Makes Us Unique?

Making safety a priority, Maxgreen lawn mowers comes equipped with **IMPT** (*intelligent motor protection technology*), which cuts-off power when overheated.

In regard to after-sales difficulties, we have made sure that the spare parts are readily and easily available.

Service support is an important part of our relationship with our clients, which is why we have developed a vast network of local service providers.
